**AWARDS & ELIGIBILITY**

In reviewing the award categories, please note the following:

- It is not a requirement that the individual awards be presented annually.
- Eligibility requirements vary by award.

**ASSOCIATE ACHIEVEMENT AWARD**

This award honors the hard work and dedication of exceptional AGC of California Associate Members. To be eligible, an Associate Member must have been engaged in providing a product or service to the construction industry for a minimum of 15 years, be a member in good standing or member-in-retirement. Qualified nominees will have made a significant contribution to the construction industry and be held in esteem by his/her peers.

**CONTRACTOR ACHIEVEMENT AWARD**

This award recognizes the significant contributions to AGC and the construction industry by individual member contractors. To be eligible, a person must have worked in the construction industry for a minimum of 25 years, be a member in good standing or a member-in-retirement of the AGC of California and be held in esteem by his/her peers. No Past President of the AGC of California shall be eligible for this award.

**S.I.R. ACHIEVEMENT AWARD**

This award honors Skill, Integrity and Responsibility. To be eligible, the individual may be from the public or private sector and must have made an outstanding contribution to California’s construction industry. No employee or member of the association shall be eligible for the S.I.R. Award.

**SPECIALTY CONTRACTOR ACHIEVEMENT AWARD**

This award recognizes the significant contributions to AGC and the construction industry by individual member specialty contractors. To be eligible, a person must have worked in the construction industry for a minimum of 15 years, be a member in good standing or a member-in-retirement of the AGC of California and be held in esteem by his/her peers. No Past President of the AGC of California shall be eligible for this award.

**WHO SHOULD YOU NOMINATE?**

- AGC peers who you value and respect
- Stand out Associate Members who go above and beyond to help the industry
- Non-member from the public or private sector who champions and partners with the industry
- Individual Contractor Members who have made the industry what it is today
- Specialty Contractor Members who have been invaluable to the projects they’ve been part of
