

SPECIALTY CONTRACTOR ACHIEVEMENT AWARD

Bob Cowan, *Marina Landscape, Inc.*

Bob Cowan started Marina Landscape, Inc. in 1971 at the age of 12 with his older brother. Marina has now been in business for over 44 years and is still growing! Marina is recognized as a national leader in the landscape industry and currently has over 650 employees. Marina is an award-winning company that specializes in construction, maintenance, erosion control and design build and offers their services throughout the state of California.

Marina has been a member of the AGC for over 15 years, and regularly sponsors AGC events. Bob held a Chairman position with the AGC Specialty Contractors Council for two years. Marina also has multiple active board members in several AGC chapters, including Orange, Los Angeles, Riverside/San Bernardino and Santa Clara. Marina is a contributor to the AGC Construction Education Foundation and has active members on the Construction Leadership Council. Marina is very supportive of our industry and the AGC's political and labor connections. Marina's most recent community service projects include the Eli Home, Los Angeles Boys and Girls Club, and Western High School.
