

# 2020 YEAR IN REVIEW

"I've been proud to be a member of AGC through all of this, because they have been the leader that their members expect them to be. This is what AGC was built for."

**Jim McLamb**  
Clark Construction

## LEADING THE WAY

- Secured construction's "Essential" status

## ADVOCATING FOR CONSTRUCTION

- Kept local governments across the state from restricting construction
- Ensured the voice of construction was heard across the state

## SUPPORTING YOUR SAFETY

- Hosted a statewide COVID-19 Safety Stand-down
- Built suite of COVID safety resources
- Provided hotline for COVID-19 compliance support

## STRENGTHENING SIGNATORY CONTRACTORS

- Provided interpretation and guidance on how COVID-related regulations interact with MLAs
- Facilitated pre-job conferences and resolved formal grievances

## INVESTING IN THE FUTURE

- Launched a Diversity and Inclusion Task Force
- Engaged more than 4 million next generation construction professionals through BuildCalifornia
- Pivoted to 100% virtual training and education offerings

## MISSION STATEMENT

We believe the construction industry is vital to the success of California. Together, our members actively create opportunities to build and strengthen our state. We are passionate about shaping policy, improving industry relationships, and developing our workforce.

"AGC provided the playbook for how to respond to COVID. It was a huge stress reliever and kept us from spinning our wheels on things that were not productive."

**Chris Jones**  
ACCO Engineered Systems
